

# WOODVALE

## Watervale Riesling

Sourced entirely from a single vineyard located in the northern part of the Watervale sub region of the Clare Valley, commanding a position of high elevation.

Pale straw in colour with translucent clarity and green tints.

and floral notes predominate on the nose.

The palate is bone dry with searing natural acidity wrapped around a juicy citrus infused core. The flavours of green apples, lemon curd and limes add further interest and complexity.

Alc : 12.5% v/v

Cellaring Potential: of at least 20 years.
