

WOODVALE

Soul Garden GSM

Tasting notes

A recent addition to our Woodvale range, Soul Garden is a blend of 90% Old vine Grenache with 5% Shiraz and Mataro added to provide additional structure, length and cellaring potential. Made in a *Joven* style, it has been made to enjoyed young with a range of lighter foods or simply on its own. The flavours of dark cherries, red fruits and kitchen spices predominate and have been matched to very subtle French oak influences that round out this very appealing wine. Will improve for a further 3 – 5 years.

Awards and accolades

Tony Love - Advertiser | March 2018

The Woodvale Spring Gardens 2014 shiraz also tells us a lot about the region's distinctive, cooler, crisper, shiraz styling, gravelly underneath, fleshy savoury with a total natural weight to it.
