

# WOODVALE

## Orchard Road Cabernet Sauvignon

A 100% Cabernet Sauvignon blend made from two vineyards, one located on the terra rossa slopes of Watervale and the other in the Skilly hills west of Sevenhill.

Brick red in colour with youthful crimson hues.

Lifted aromas of black currants, spearmint and tobacco leaf are further enhanced with subtle char and toasty French oak notes.

Sweet and mouth filling, yet sculptured and linear in style, the palate brings together darker cassis and red current flavours with hints of cocoa, mint and fine grained oak influences in a focussed and persistent palate experience.

Alc : 14.0% v/v

Cellaring potential of at least 12 years.
