## Estate Pinot Gris 2021

### Tasting Notes:

This Pinot Gris is a faint rose gold in colour resulting from a light and short skin contact prior to pressing. Aromas of musk, bosc pear, citrus oil and brass. On the palate there is nice feel and freshness where pear fruits meet gentle creamy texture finishing crisp and ready for the table.

### Viticulture Notes:

Our winemaking philosophy is to produce the best fruit possible in the vineyard and allow the wines to express the individuality of the vineyard and each growing season. The grapes for this wine were hand-picked with viticultural practices based around maintaining balance in the vineyards, sustainability and responsiveness to changing environmental conditions.

2021 was a welcome return to ideal growing conditions here in the Yarra Valley. A prolonged, classical season allowed for brilliant definition of flavour across our range.
