LIVON

CHARDONNAY - Doc Friuli Grave

GENERAL DATA:

Vineyard: located in the municipalities of Chiopris-Viscone

and San Giovanni al Natisone Kind of ground: Alluvial Grape: Chardonnay

Type of cultivation: Cordon trained

VINIFICATION AND REFINING:

The grapes are harvested by machine, then steeped in a cold horizontal press for eight hours and the must is cleaned through settling. The fermentation takes place in steel tanks at a controlled temperature of 15°C. Once the fermentation is completed, the product thus obtained is left maturing in the same tanks at a constant temperature for about four months. At the end of this period, the wine is assembled and bottled. There follows a further period of refining in the bottle before the wine is distributed.

ORGANOLEPTIC CHARACTERISTICS:

It has a bright straw yellow color. Its bouquet recalls apples, bread crust and peach. It is velvety on the palate.

ULTERIORI INFORMAZIONI:

Drink with: Vegetable risotto and delicate fish-dishes, it also goes

very well with white meats. **Longevity:** 3 - 4 years. **Serve at:** 11-12°C.
