

STELLA BELLA

2022 Semillon
Sauvignon Blanc

Born and bred in Margaret River, Semillon Sauvignon Blanc harnesses the characteristics of the Margaret River lifestyle and ocean living. Fresh flavours from the elegance of Luminosa vineyard Semillon and the punchy perfume and fruit drive of our Rosa Brook Road vineyard Sauvignon Blanc...a perfect harmony.

Appearance

Pale straw with green hues.

Abundant aromas of...

Nashi pear, meyer lemon and fresh stone fruits are complemented by freshly picked kaffir lime leaves.

Palate

Instantly pleasing with lovely weight and generous texture. Citrus and lychee flavours follow through on the palate with a hint of musk. Refreshing natural acidity leads to a soft and supple finish.

Enjoyment

A Margaret River classic, freshly caught Augusta King George Whiting.

Wine Specs

Cellar	Drink Now
Alcohol	12.5%
pH	3.25
Acidity	6.90

Place

Our Sauvignon Blanc and Semillon vines are planted throughout our collection of southern Margaret River vineyards. The majority of Semillon is derived from our Luminosa vineyard and Sauvignon Blanc from our Rosa Brook Road vineyard. A multiple personality wine, it represents the uniqueness of each vineyard site while maintaining a defined Stella Bella style.

Vintage 2022

Ripening Conditions couldn't have been better, low rainfall and a warm summer provided fast ripening and a small picking window to ensure the perfect citrus based flavour profile we are chasing in all white varieties. With some consecutive hot days acids definitely dropped and flavours built quickly toward mid March. Punchy, ripe, exotic fruit with crushed citrus in Sauvignon and Semillon.

Winemaking

Semillon and Sauvignon Blanc were fermented in tank to enhance aroma with already abundant textures from a warmer vintage.
