

STELLA BELLA

2024 Sauvignon Blanc

It's the Margaret River Sauvignon Blanc, a hallmark of Stella Bella since our inception! Seizing the crisp cool nights of our Karridale vineyard Stella Bella Sauvignon Blanc is an exquisite balance of exotic tropical fruit flavours, texture and complexity coupled with driving minerality...perfection.

Appearance

Pale straw with green hues.

Abundant aromas of...

Tropical fruits, lychee and lime are enhanced by orange blossom, meyer lemon and a touch of musk. A delicate nuttiness from lees stirring adds depth, making it clear this is no ordinary Sauvignon Blanc.

Palate

A wave of mouthwatering tropical flavours of citrus and grapefruit work in harmony with the fresh, natural acidity. The soft, supple texture is perfectly balanced by the savoury complexity from barrel fermentation. This salivating wine delivers great persistence and length that leaves you wanting another glass.

Enjoyment

Deep fried white bait.

Wine Specs

Blend	100% Sauv Blanc
Oak	10% Old
Cellar	Drink Now
Alcohol	13.5%
pH	3.22
Acidity	6.72

Place

Our Sauvignon Blanc vines are planted throughout our southern Margaret River vineyards with the majority planted at the Luminosa and Karridale vineyards. A multiple personality wine, it represents the uniqueness of each vineyard site while maintaining a defined Stella Bella style.

Vintage 2024

What a vintage, no significant rain from September onwards, nothing but clear skies and consistent sunshine. Good viticulture reigned supreme and the cooler part of Margaret River, as always, was the place to be. Our vines thrived under the clear skies, accelerating flavour development across all varietals. Slightly lower yields, but the quality is exceptional. Expect ripe aromatics, lifted perfumes and generous textures.

Winemaking

Picked from our Karridale and Luminosa River vineyards, 90% of the individual batches were pressed to tank and the remainder was specifically selected for barrel fermentation and battonage. A careful mix of technique gives this wine a perfect balance of explosive varietal perfume, complex flavours, palate texture and refreshing natural acidity.
