

## FISHCAGE PINOT SHIRAZ

### THE SERIES

Fishcage wines are vibrant, fun and an easy escape.

We are often asked, "Why is there a fish in the cage?" The wines are expressive and sometimes quirky; just like a fish that wants to be different.

Enjoy and have a little fun, Cheers!

### THE STYLE

The Fishcage Pinot Shiraz is a blend of Tumbarumba Pinot Noir and Hunter Valley Shiraz.

These wines have been fined with a vegetable protein and is therefore suitable for vegans.

### THE WINE

Pinot Noir from the cool climate region of Tumbarumba is fragrant with red cherries and spice, blended with the ripe blackberry and plum fruit of Hunter Valley Shiraz. The resultant wine is a seamless blend of the two varieties which has both character and elegance.
