

FISHCAGE SPARKLING CHARDONNAY

THE SERIES

Fishcage wines are vibrant, fun and an easy escape. We are often asked, “Why is there a fish in the cage?” The wines are expressive and sometimes quirky; just like a fish that wants to be different. Enjoy and have a little fun, Cheers!

THE STYLE

The Fishcage Sparkling Chardonnay is from the Dalwood Vineyard in the Lower Hunter Valley, NSW. Picked early, and night and gently pressed to retain freshness and natural acidity.

THE WINE

This is a fragrant wine of granny smith apples, green melon, honeysuckle and fresh bread. The palate is creamy with a delicate bead and a crunchy, crisp finish.
