

## DALWOOD SINGLE VINEYARD HUNTER VALLEY SEMILLON

### THE SERIES

The Single Vineyard Collection is the ultimate expression of Hungerford Hill's rich heritage and commitment to produce wines with elegance and finesse. These wines are the pinnacle of Hungerford Hill's craft, and will reward long term cellaring.

### THE STYLE

The grapes were harvested by hand in late January retaining balanced levels of natural acidity and heightened fruit intensity.

The fruit was immediately crushed, chilled, pressed and fermented at low temperature in stainless steel retaining the citrus, lime and lemongrass notes.

### THE WINE

Bright medium straw in colour. Classic regional lime juice aromas with lemon and fragrant jasmine. The palate, being spicy and flavoursome, balances its exceptional body and weight with a clean and complex long line of acid.
