## Rochford Estate Syrah 2025

Varieties: Shiraz 100%

### Winemakers Tasting Notes:

This Syrah from our Rochford Home Vineyard has a spicy nose of pepper, clove and cardamom. Boysenberry fruit combine with licorice, dried flowers and whole bunch influence. The palate has a nice medium weight, red fruits a plenty, soft licorice (again) and has a fine rocky tannin giving a complex structure.

### Viticulture Notes:

Sourced from Syrah clones PT23, Great Western and 1654 from our vineyards in Coldstream.

Vinification & Elevage: The fruit was partially destemmed as whole berries, with 30% left as whole bunches for fermentation. It was then pressed into French oak foudre for maturation and malolactic conversion, spending 10 months in oak before bottling.

Alcohol: 13.9%

Allergens: Contains Sulphites. Vegan wine.
