

2024 SANGIOVESE

YARRA VALLEY

This Sangiovese is a brilliant all rounder. And not the sort of all rounder your mum said you are which meant you weren't excellent at anything and were kinda average at everything. No, this is a real all rounder. A chameleon of sorts. Take it anywhere, have it with anything, share it with everyone.

<i>Colour</i>	Garnet red.
<i>Nose</i>	Red liquorice, cherry, and currants with a hint of mixed herbs.
<i>Palate</i>	Medium bodied with juicy blue fruits, grippy tannins and balanced acidity.
<i>Drink with</i>	Bistecca alla Fiorentina (or a decent steak you can afford) seasoned with salt and pepper, cooked over a super hot BBQ and rested for longer than you think.

<i>Wine analysis</i>	ALC/VOL 12.4% PH 3.38 TA 6.0 G/L
<i>Winemaking</i>	Hand picked from a single vineyard in the Upper Yarra Valley, bunches are de-stemmed to capture whole berries, and pumped over gently twice per day (during fermentation). The wine is matured in seasoned oak for 7 months to create a wine that's fresh and bright with a savoury edge.
	Vegan friendly.
